

The Tata Altroz is a premium hatchback that stands out with its futuristic design, exceptional safety, and advanced features. Built on Tata Motors' ALFA (Agile Light Flexible Advanced) platform, it showcases the Impact 2.0 design language with a bold grille, swept-back projector headlamps, sleek LED DRLs, and dual-tone roof options, giving it a sporty yet premium appearance. With dimensions of 3990 mm in length, 1755 mm in width, and a 2501 mm wheelbase, the Altroz offers a spacious cabin and practical features, including a 345-liter boot and 165 mm ground clearance. It is available with multiple engine options: a 1.2L Revotron petrol engine producing 86 PS and 113 Nm torque, a 1.2L i-Turbo petrol engine delivering 110 PS and 140 Nm torque for spirited driving, and a 1.5L Revotorq diesel engine generating 90 PS and 200 Nm torque for excellent efficiency, with mileage ranging from 18 to 23 km/l. The interior features a 7-inch touchscreen infotainment system with Android Auto, Apple CarPlay, and Tata's IRA connectivity, complemented by a digital-analog instrument cluster, rear AC vents, and premium upholstery. Safety is paramount, with a 5-star Global NCAP rating, dual airbags, ABS with EBD, ISOFIX mounts, and rear parking sensors with a camera. The Tata Altroz combines style, practicality, and cutting-edge technology, making it a strong contender in the premium hatchback segment.
